

Comment from Government Member Nadine N. Mancini on Improving Timeliness in Agency Adjudication
October 18, 2023

I had three minor suggestions on the following lines in the preamble:

Line 18 – delete “agency officials” as reference to agencies alone seems sufficient.

Line 23 - replace “do so” with “improve timeliness.”

Line 25 – change “its” in the quote to “[their].”

Line 38 – delete “it is clear that.”
