State Contact List
Updated August 9, 2012

In accord with paragraph 5(a) of Recommendation 2010-1, the Administrative Conference provides the following “contact list for representatives of state interests, including but not limited to the ‘Big Seven.’” For the first two categories, “The Big Seven” and “Other Organizations,” the contact listed was specifically identified by the relevant organization as the appropriate point of contact for preemption issues. For the final category, “State Attorneys General,” the contact information provided is the general contact information for the relevant office.

This list will be regularly updated. If you notice any information that is incorrect or have suggestions for additions to the list, please contact the Project Advisor for the Regulatory Preemption project, Emily S. Bremer at ebremer@acus.gov.
