ADMINISTRATIVE CONFERENCE OF THE UNITED STATES

Freedom of Information Act Annual Report Fiscal Year 2020

I. Basic Information

The Administrative Conference of the United States (ACUS) is a small agency staffed by approximately 13 full-time persons. Since the agency has no component offices, all of the agency's FOIA requests are processed at the agency level.

A. For questions concerning this report, contact:

Shawne McGibbon, General Counsel & Chief FOIA Officer (smcgibbon@acus.gov)
Administrative Conference of the United States
1120 20th Street, NW
Suite 706 South

Washington, DC 20036 202-480-2080

- B. An electronic copy of the report may be obtained online at: www.acus.gov/foia.
- C. A copy of the report in paper form may be obtained by requesting a copy in writing at the address stated above.

II. How to Make a FOIA Request

- A. The preferred method for making a formal FOIA request is to submit an online request at http://www.acus.gov/foia/request/. Requests may also be submitted via the federal government's online portal at https://www.foia.gov. The Conference's FOIA regulations outline additional ways in which to submit a FOIA request. Those methods include submitting a written request to the agency either by mail or by fax. The Conference's **Freedom of Information Act Reference Guide** contains further information on how to make a request. Both the FOIA regulations and the guide are located on the agency's website, www.acus.gov/foia. Requesters should only request records that ACUS is likely to have. ACUS is not required to provide records that are not agency records. For instance, prison, immigration, or health records of individuals with no connection to ACUS are not ACUS records. Requesters seeking those types of records should request them from whichever agency is likely to have the records.
- B. Agency response-time ranges:

The median response time for processing simple **initial requests** in FY 2020 was one working day and the average response time was 1.47 working

days. Twenty-nine out of a total of 38 responses took less than one business day. There were zero **appeals** for the year.

C. Brief description of why **some** requests are not granted:

FOIA requests submitted to ACUS may not be granted when the information meets the criteria or standards that preclude disclosure (or allow for non-disclosure) under one or more of the FOIA exemptions, or when no responsive records exist or are not in the possession of this agency. Exemptions were used only twice in FY2020. As in prior years, many FOIA requests were from inmates at federal prisons and individuals seeking immigration records. These individuals requested records related to themselves or their cases records that do not reside at ACUS. FY2020 showed the biggest increase in the number of FOIA cases since the agency opened in 2010. Much of this is due to the influx of cases from the National FOIA Portal. Unfortunately, since ACUS is the first agency on the list, many requesters simply request whatever it is they want without regard for the instructions on the portal directing them to send their request to the agency that has the records they are seeking. In any event, in all cases where the requests were denied, the requesters were made aware of their rights to appeal (within 90 days) or seek dispute resolution services from the Office of Government Information Services.

- III. Definitions of Terms, Acronyms, and Exemptions Used in this Report
 - A. "ACUS" or "The Conference"—Administrative Conference of the United States
 - B. Basic Terms and Acronyms:
 - 1. FOIA/PA request -- Freedom of Information Act/Privacy Act request. A FOIA request is **generally** a request for access to records concerning a third party, an organization, or a particular topic of interest. A Privacy Act request is a request for records concerning the requester; such requests are also treated as FOIA requests. (All requests for access to records, regardless of which law is cited by the requester, are included in this report.)
 - 2. Initial Request -- a request to a federal agency for access to records under the FOIA.
 - 3. Appeal -- a request to a federal agency asking that it review at a higher administrative level a full or partial denial of access to records under the FOIA, or any other FOIA determination such as a denial of a fee waiver or an assessment.

- 4. Processed Request or Appeal -- a request or appeal for which an agency has taken a final action in all respects on the request or the appeal.
- 5. Multi-track processing -- a system in which simple requests requiring relatively minimal review are processed on one track, and more voluminous and complex requests are processed on one or more other tracks. Requests in each track are processed on a first-in/first out basis. A requester who has an urgent need for records may request expedited processing.
- 6. Expedited processing -- an agency will process a FOIA request on an expedited basis when a requester has shown an exceptional need or urgency for the records, which warrants prioritization of his or her request over other prior requests.
- 7. Simple request -- a FOIA request that an agency using multi-track processing assigns to its fastest (non-expedited) track based on the volume and/or simplicity of records requested.
- 8. Complex request -- a FOIA request that an agency using multi-track processing assigns to a slower track based on the volume and/or complexity of records requested.
- 9. Grant -- an agency decision to disclose in full all records that exist in response to a FOIA request.
- 10. Partial grant -- an agency decision to disclose a record in part in response to a FOIA request; or a decision to disclose some records in full, but to withhold others in whole or in part.
- 11. Denial -- an agency decision not to release any records in response to a FOIA request because the agency determines that all the information in the requested records is exempt under one or more exemptions, or for some procedural reason (e.g., because no record is located in response to a FOIA request or the requested records do not exist at the agency).
- 12. Time limits -- the time period for an agency to respond to a FOIA request (ordinarily 20 working days from proper receipt of a "perfected" FOIA request).
- 13. "Perfected" request -- a FOIA request for records which adequately describes the records sought, which has been received by the FOIA office of the agency or agency component in possession of the records, and for which there remains no question about the payment of applicable fees.
- 14. Exemption 3 statute -- a separate federal statute prohibiting the disclosure of a certain type of information and authorizing its withholding under FOIA subsection (b)(3).

- 15. Median number -- the middle, not average, number. For example, among 3, 7, and 14, the median number is 7.
- 16. Average number -- the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.

C. Exemptions

- 1. Exemption 1: classified national defense and foreign relations information
- 2. Exemption 2: information that is related solely to the internal personnel rules and practices of an agency
- 3. Exemption 3: information that is prohibited from disclosure by another federal law
- 4. Exemption 4: trade secrets and other confidential business information
- 5. Exemption 5: inter-agency or intra-agency communications that are protected by legal privileges
- 6. Exemption 6: information involving matters of personal privacy
- 7. Exemption 7: records or information compiled for law enforcement purposes, to the extent that the production of those records (A) could reasonably be expected to interfere with enforcement proceedings, (B) would deprive a person of a right to a fair trial or an impartial adjudication, (C) could reasonably be expected to constitute an unwarranted invasion of personal privacy, (D) could reasonably be expected to disclose the identity of a confidential source, (E) would disclose techniques and procedures for law enforcement investigations or prosecutions, or (F) could reasonably be expected to endanger the life or physical safety of any individual
- 8. Exemption 8: information relating to the supervision of financial institutions
- 9. Exemption 9: geological information on wells
