November 3, 2010 Public Meeting Agenda

---

- I. Welcome and Introduction—John Cooney, Committee Chair
- II. Administrative Matters—Jonathan Siegel, ACUS Director of Research & Policy
- III. Consideration of Clark Report and Discussion of Recommendations—John Cooney
  - A. Presentation of Report—Professor Kathleen Clark
  - B. Discussion of Issues Relating to Committee Recommendations
    1. Should ethics requirements applicable to employees of government contractors be expanded?
    2. What types of ethical rules should apply to contractor employees?
    3. Should contractor employee ethics requirements apply uniformly across the executive branch or be tailored to specific agencies?
    4. Should the rules adopted regulate contractor employees directly or instead place the onus for policing ethical compliance on contractors? Should contractor employee ethical standards be established in statutes and regulations, imposed via contract clauses, or implemented by some other means?
    5. By what mechanisms should a contractor employee ethics system be implemented?
- IV. Comments by Public Attendees (if committee consents)
- V. Closing remarks—Jon Siegel
