

Comment on Proposed ACUS Recommendation and Model Rules: Revised Model Rules for  
Implementation of the Equal Access to Justice Act

Alan B. Morrison, Senior Fellow

Model Rules Recommendation, p. 2. Line 2 & 3 - line 3 uses "it" to refer to Conference's Chairman.

In the rules, I had to read the last sentence in scope (315.101) several times before I understood how it differed from the prior sentence. It is clear from later rules, but I suggest you add, after "Alternatively, an eligible party" the phrase, even if not a prevailing party" and add "successfully, between "it" and "defends" in the next line.
