Comment from Public Member Jack M. Beermann on Agency Use of Artificial Intelligence
December 14, 2020

Line 5: Change "human" to "agency"

Line 121: Insert "hacked" before "manipulated"

Line 123: Probably a losing battle, but change "data is" to "data are"

Line 138: Change "reflexively" to "inflexibly"

Lines 145 and 148: Change "human beings" to "people"

Line 182: Delete "more"
