Subject: Public comments re failed patent systems

Hi my name is Sean Maek, I hold 25 issued US patents. The following comments are furnished with my views:
Failed Patent System:

-eBay v. MercExchange

-Patent Trial and Appeal Board (PTAB)

-Alice v. CLS Bank

Supreme Court:

-The Focus should be on Supreme Court, not Supreme Court cases.

-It must be an Article III court, not an Administrative Tribunal

-Motion Practice Limits

-Injunction is the Default Remedy

Lack of inventor representation on the consultancy committee Thank you

Sent from my Phone.
